\$40
inc GST

1m x 1m Fire Blanket

**1.0kg ABE Dry Powder
Extinguisher**

Use of Extinguisher

1. Remove extinguisher from bracket.
2. Never run to the fire – walk briskly but safely.
3. Remember the easy PASS steps to operate the extinguisher

Pull the pin
Aim at the base of the fire
Squeeze the handle
Sweep from side to side

Use of Fire Blanket

1. Remove from storage pouch by pulling tabs
2. Grasp blanket by tabs and wrap hands into blanket
3. Approach fire with arms straight and using blanket for protection
4. Gently lower blanket over fire
5. Turn off heat source and call the fire brigade
